*Fireworks will be packaged and sorted upon availability. We cannot guarantee or reserve brands or types. **Rain Protection** is an optional add on that will allow BrideLights to build the show and construct the fireworks to be rain resistant. Full payment is required and non refundable upon booking. Permits, fire marshall site visits, and site survey plan fees and/or any extra fees required by county/city is not included in the above price. Permit fee averages in the range from \$50-\$200+ depending on your county, city, and state requirements and regulations.
