

Post Event Clean at Juliette Chapel and Events

- The fee is \$125 to be paid prior to the day of the event. Contact Juliette Chapel to add the service to your reservation. (If Margaret, The Juliette Chapel Wedding Coordinator, is coordinating your wedding she can add this payment to the invoice for her services. Or you can mail a check to Margaret Sincere, 3017 Auraria Road, Dahlonga, GA 30533.)
- The post event cleaning takes care of the cleaning that would normally be the renter's responsibility as stated in the contract: general cleaning up, taking trash to the dumpster, removing food left behind in the refrigerator, kitchen or other areas, taking down any decorations (Not including excessively heavy items in the buildings or on the grounds like arbors, Christmas trees, crosses, heaters, etc.)
- The post event clean does not include packing and saving items to be picked up at a later date. Renters need to take items they want to keep with them after their event. Any items and/or decorations left behind will either be thrown out or donated to the Dawson County Humane Society Shop to be sold to help homeless cats and dogs.
- This cleaning does **not** include bringing tables & chairs back inside, adjusting and/or turning off the HVACs in both buildings, or locking the buildings. These tasks still must be completed by the renters.
- Tables & chairs do **not** need to be moved from the reception building, broken down or stacked against the walls after your event.
- The post event cleaning is completed early the next morning, not directly after the event.
- The cleaning service is especially beneficial for wedding couples that plan to depart before guests to avoid any possible charges for not completing the closing procedures as agreed upon.

Thanks!!
